With a bright red pour that accentuates tart cherry and a fruity bloom, this bunny is anything but bashful. Our cherry hibiscus golden ale is lightly sour, semi-dry and full of flavor. With 4% ABV and barely there bitterness, you'll be asking for another.

AVAILABILITY: February 15

IBU: 15

ABV: 4%

Brewer's Notes:  

Dried hibiscus, sweet orange peel and pure cherry puree give this golden ale a seductive fruity tang.
